

Arizona Endurance Riders Club (AZERC)

AZERC is a group of people passionate about endurance riding coming together to share knowledge and support one another on the endurance journey.

Mission Statement

The purpose of the Arizona Endurance Riders club is to promote endurance riding in Arizona by hosting educational and social events and to encourage camaraderie. To support Arizona's AERC ride managers by recruiting and training ride volunteers. To support AERC, the national governing body for endurance, by encouraging membership and by increasing awareness and visibility in the community.

AZERC is open to anyone interested in learning about and supporting AERC Endurance riding in Arizona.

If you would like to become a member of the club and be notified of club events or have interest in hosting an event please complete the information below.
